SECTION 1

a. **Scoring The Tree**
b. All cast members are always to stay together. Dogs may be handled out of order if dog can be seen to judge. Dog will be tied and cast will continue to dogs that were treed in order.
c. No Leash Lock
d. A. Tree Points Structure: Tree points awarded will be 1st-125, 2nd-50, 3rd-25.
e. B. Barking Requirement: A dog must bark to be declared treed.
f. C. Approaching the Tree: When dogs are declared treed, the cast must stand for 1 minute to give an opportunity for any other dog to be treed. After the 1 minute the cast may move at a moderate pace close enough to see dogs working, but not closer than sixty (60) feet from the declared tree. Cast must wait two (2) minutes after dog(s) are declared treed before going to the tree, unless all dogs are declared treed or hunt time expires.
g. D. Recast Rules: a. After scoring a tree, you can recast at any time or walk your dog up to one minute.
h. C. If 10 minutes or less is remaining in a 90-minute cast or 5 minutes or less is remaining in a 60-minute cast, a handler may leash his/her dog for the time remaining unless the 3-minute continuous barking rule is invoked. The handler must announce this to the Non-Hunting Judge or cast members and may not recast the dog for the duration of the cast.
i. E. One Minute Rule: When a dog is declared treed, tree points will remain open for one minute. All handlers must stand still for one minute and give the other handlers the opportunity to tree their dogs. All dogs declared treed after 30 seconds and before one minute will receive points. At one minute the tree points are closed, and no other dog(s) may receive points for that tree. Dogs that are declared treed within the first minute must hold the tree until the two minutes expire unless all dogs are declared treed / handled or hunt time expires.
j. F. Search Time: After arriving at the tree and handling the dogs, up to five (5) minutes will be allowed to search the declared tree and other trees within sixty (60) feet of the tree that the squirrel could have timbered to. The full five minutes does not have to be used if handlers agree on the scoring. These five

(5) minutes will be allowed even if the hunt time has expired. All cast members will score the tree unless non-hunting judges are used for each cast member.

k. G. Split Trees:

l. a. Dogs will be awarded split tree points when dogs are treed more than 60 feet from base to base 2' up on tree. If dogs' trees are within the 60 ft. area and more than one squirrel is found, the second squirrel must be seen in the actual tree that the second dog is treed on for the dog to receive split tree points. This can occur only after the first dog's squirrel is found for them both to receive plus points.

m. b. Dogs treeing on split trees within the 60 ft. area will be scored as one tree when only one squirrel is seen in the 60 ft. area.

n. c. When a split tree is determined, and the search areas overlap, a dog shall not receive plus points for a squirrel found within the 20 step (60 feet) search area of a tree that has already been searched and scored unless plus points were awarded to the dog(s) declared treed and a second squirrel is found. A scored tree and its search area can only be scored once per cast. The second dog treed search area will be shortened if it overlaps with first dog treed. (Example: Dog A first dog tree gets a 60' circle around his tree and that is Dog A search area. If Dog B is treed 65' from dog A, he will have 5' on one side of his tree to search and 60' circle on other side. Anytime the search area goes into an already searched area you cannot score that area again. Anytime a squirrel is found on the 60' Line the squirrel goes to the first dog treed if it was found in the 5-minute search time.)

o. H. Returning to Previously Scored Tree: Dogs returning to previously scored tree and handled the Second time dog will receive 125 minus points. If dog is handled Third time on the same tree dog will be scratched. (Previously scored tree is the 60ft search area)

p. I. Interference Prevention: Dog(s) coming into 60' search area of closed tree shall be tied to prevent interference with tree dog(s).

q. J. Non-Squirrel / Tree Game Rules: A dog will be recast after scoring tree and 30 seconds walk unless all dogs are declared treed. Dog(s) treeing 'tree game' other than squirrel will be led away with points deleted. Any tree game will be deleted unless it is a gray squirrel or fox squirrel. Tree game must be in the tree dog is treed on to be deleted. If not in tree dog is treed on dog will have 60' search area unless it has already been scored on during hunt time. 'Tree game' will be defined as follows: any animal capable of climbing shall be considered 'tree game', including Flying Squirrels, Ground Squirrels and Cats. Any type of fowl should not be considered as 'tree game'. If dog(s) were declared treed on scorecard and only large fowl is seen, delete points.

r. K. Tree Beating Restrictions: Beating on Trees No Ball Bats Allowed, no cutting trees or tree limbs to beat trees with, you can only use what you find in the woods. Water bottles are allowed, pulling vines, etc. will be allowed once the search time begins where allowed by law. If another dog comes into the 60' Search area it will be handled.

s. L. Den / Hole Tampering: No running sticks, rocks or any object inside splits, cracks, den or any hole in a tree.

t. N. Out of Sight Treeing: When dogs are out of sight and declared treed, if the dog that is called first leaves the tree before the cast arrives to determine if they were split, tree points shall be awarded for the tree position in which they were called.

u. **SECTION 2**: Questions & Appeals

v. A. Question Placement & Deposit: Any handler has the right to question the scoring of any dog in the cast. Questions must be placed on the card at the time the dog is scored or should be scored. Questions must be submitted to non-hunting judge or the remaining cast members and resolved by a majority vote. If a handler is dissatisfied with the majority decision, that decision may be appealed to the Hunt Director to be heard after the cast is finished by placing a deposit of $25. The deposit must be placed with the judge in the

woods at the time of the question. The deposit will not be refunded later in the cast if the handler changes his mind. However, the handler may choose to drop the question and forfeit the deposit at the end of the cast. Handler may sign an IOU on the back of the scorecard. If IOU is not paid, the handler is automatically suspended from entering other events until the question fee is paid. No deposit is required when the cast has voted but does not have a majority.

w. B. Question Presentation: A cast should not return to the clubhouse to have a question heard until Handlers must be given the opportunity to address the panel. hunting time is completed, unless the question pertains to a dog or handler being scratched from the cast.

x. C. Panel Hearing: The Hunt Director will assemble a panel of three qualified people to hear the question. If the panel finds in favor of the question, the deposit will be returned, and the scorecard changed to reflect the change. If the panel finds the question, the deposit will be forfeited with half going to the club and half going to ProSport .

y. D. Panel Appeal: Any cast member, who believes a panel had made a gross misapplication of a rule, may request an appeal of the panel's decision, if and only if, he can quote the specific rule violation to the Hunt Director or ProSport Representative immediately following the rendering of the panel's decision. Members will be charged a $100 deposit for all panel appeal requests, which must be paid at the time of each request. When and only when an appeal panel overturns the original panel's decision, will the appeal deposit be returned.

z. **SECTION 3**: Disciplinary Reports Misconduct Reporting: Any handler may be reported to the Hunt Director by another cast member, Judge, Guide, or club member for misconduct. The Hunt Director will send report to ProSport with other hunt results. Misconduct report will be handled by ProSport. Issue will be investigated, and charges may be brought on others involved as well as member charged.

aa. **SECTION 4**: Handler Rules & Conduct A. Membership Requirement: Must be a current member of USDC and be in good standing. It is the handler's responsibility to know the rules contained herein and agree to abide by them. The handler also agrees to accept and abide by the decision of the Judge and Master of Dogs.

bb. B. Handler Conduct: A handler must conduct himself as a gentleman and sportsman at all times. A handler becoming loud, aggressive, or belligerent may be scratched by majority of cast, non-hunting Judge or hunt Director regardless of the merit of his argument. A handler displaying unsportsmanlike conduct or failing to abide by these rules should be reported to the Hunt Director for a disciplinary hearing. The disciplinary committee may fine, place on probation, or suspend any member.

cc. C. Handler Interference: Any handler found guilty of interfering with another handler's dog in any way that would affect his ability to compete may be subject to disciplinary action.

dd. D. Disciplining of Dogs: A handler may not scold, encourage, or punish his dog during the cast. Scratchable Offence

ee. E. Handler Leaving Cast / Lost Dog Time: A handler may not leave the cast for any reason. The judge may give a handler permission to leave the cast to search for his dog during a time out. Handler will have 45 minutes to retrieve his dog and meet at designated location. Any handler or dog delaying a cast for more than 45 minutes will be scratched.

ff. F. Inspection of Scorecard: A handler may inspect the scorecard at any time, provided Judge is not in the process of scoring dogs.

gg. G. Spectator Participation: The local host club will decide if Spectators will be allowed on casts. A 2/3 majority of individual cast members may vote to have No Spectators on their cast. A maximum of 2 Spectators per cast member will

be allowed. Handlers are fully responsible for the Location and Conduct of their Spectator. Spectators must remain with the majority of cast under hunting judges & always stay with non-hunting judges. Spectators may assist in locating squirrels; they will inform the majority of cast or non-hunting judges. If a Spectator shakes, pulls vines, beats onto a tree, they must do so for all cast members when asked. Any Spectator having verbal misconduct or becomes separated (out of sight or hearing) from majority of cast or non-hunting judge: Handler responsible for them will Be Scratched first offence. Spectators are not allowed to be in possession of a handheld device capable of tracking dogs during cast. Spectators may not use cell phones for any reason during cast. ProSport reserves the right to insert a ProSport official onto any cast. ProSport has the right to include Play x Play person or Live feed person to any cast to benefit ProSport promotions.

hh. H. Scorecard Certification: Each handler is responsible for the honesty of the scorecard and will sign the scorecard certifying it upon completion of the cast. Any handler who feels the scorecard is not accurate should question the card. Once the card is signed, the handler is certifying that the card is correct at the time of signing. If a question is placed on the card, the handler can wait until panel hearing to sign card. Panel members can certify a scorecard upon the panel's decision.

ii. I. Remaining with Cast: Each handler is required to remain with the cast for the entire duration of the hunt, even their dog is no longer participating in the cast, The only exception is when the handler wants to withdraw it is determined that the handler’s dog may be in danger or at risk of harm from proof of handheld device. In such cases, the majority vote of the cast will determine whether the handler may leave the cast to retrieve or protect their dog, or whether they must remain with the cast until the hunt is completed. or he will be subject to disciplinary charges.

jj. J. Signature Requirement: Any cast considered for placement in an event must have the signature of all cast members certifying it to be accurate. All casts must be completed with at least three (3) members to certify scorecards (In case of two dog cast, both handlers must sign the card to certify its accuracy.) The Hunt Director may sign card on behalf of a handler if a question is

brought before the panel. Hunt Director may also sign on behalf of any handler who has not signed scorecard due to negligence.

kk. K. Signing Fraudulent Scorecard: Any handler found to have signed a fraudulent scorecard may be suspended from all ProSport events and potentially barred for life from registering dogs.

ll. L. Undeserved Credit: Anyone found guilty of accepting credit for a different amount than he earned in a ProSport event may be subject to disciplinary action.

mm. M. Intentional Mishandling: A handler must compete to the best of his and his dog's ability. Any handler intentionally handling his dog in such a way as to allow another dog or handler to win may be subject to

nn. N. Dog Withdrawn by Handler: No handler may withdraw their dog without first handling it, unless all cast members and judge unanimously agree and give permission. If any cast member objects to the dog being withdrawn, he/she must state a legitimate reason as to how it could negatively affect the outcome of the cast. Handler(s) objecting for an invalid reason may be subject to disciplinary action.

oo. **SECTION 5**: Dogs A. Performance Requirement: Any dog entered must be able to participate without hindering other dogs in the cast. -125 first offence, Scratched second offence.

pp. B. Registration & Ownership: The dog must be ProSport registered in the true owner's name. All awards will be presented to the registered owner of the dog. Provided owners are paid members for that hunting year.

qq. C. Fraudulent Entry: Anyone guilty of falsely registering or falsely entering any dog with incorrect papers may be scratched, fined, and/or placed on suspension and/or probation.

rr. D. Veterinary Examination: The handler must allow his dog to be examined by a veterinarian, if requested by hunt Director or be permanently suspended.

ss. E. Tracking & Training Systems: Tracking Receiver/Transmitter (handhelds) paired with collars that cannot produce any type of tone, vibration or electronic stimulation may be powered on and used at all times. Audio alerts on tracking receivers (handhelds) must be muted. Tracking Receiver/Transmitter (handhelds) paired with collars that can produce any type of tone or electronic stimulation may not be powered on, or used by

handler, their spectator or anyone else on the cast or at the truck during hunting time.

tt. Tracking System Use during the cast is intended for the personal use of the handler and the safety of the handlers' dog only. No information obtained from tracking devices will be permitted for use in scoring situations in the woods or at panel question hearings. As always, dog must be heard before handler, majority of cast or non-hunting Judge can take a tree call and all time-out requirements in rule still apply.

uu. Handlers must agree to allow the Judge to check their tracking system for any electronic stimulation, vibration, or tone capability at any time requested. Anyone found to have modified tracking or training equipment to disguise electronic tone, or stimulation capability will be scratched. These rules are to be strictly enforced. Any time a handler is scratched for tracking equipment infractions; misconduct charges must be reported to the BOD's. Any handler that tampers, modifies or uses tracking collars to cheat will be suspended on the first offense and suspended for life on the second.
